A Guide to Using and Applying the Creative Commons (CC) License

CC LICENCE	Means you can ...	Means you must ...	Note
 <p>Attribution CC BY</p>	<p>Access and download the work</p> <p>Distribute, remix, tweak, and build upon the work, even for commercial purposes</p> <p>License your new (adapted) creation under any terms</p>	<p>Credit the creator for the original creation</p>	<p>Most “open” of the CC licenses</p>
 <p>Attribution-ShareAlike CC BY-SA</p>	<p>Access and download the work</p> <p>Distribute, remix, tweak and build upon the work, even for commercial purposes</p>	<p>Credit the creator for the original creation</p> <p>License your new (adapted) creation under the identical terms (CC BY-SA)</p>	<p>Often used in OER works</p>
 <p>Attribution-NoDerivatives CC BY-ND</p>	<p>Access and download the work</p> <p>Use and redistribute, for commercial or other purposes</p>	<p>Credit the creator for the original creation</p> <p>Not change the work</p> <p>Re-use in its entirety</p>	

CC LICENCE	Means you can ...	Means you must ...	Note
 <p>Attribution-NonCommercial</p> <p><u>CC BY-NC</u></p>	<p>Access and download the work</p> <p>Distribute, remix, tweak and build upon the work, for non-commercial purposes</p> <p>License your new (adapted) creation under terms which do not include commercial purposes</p>	<p>Credit the creator for the original creation</p> <p>Not use the work for commercial purposes</p>	
 <p>Attribution-NonCommercial-ShareAlike</p> <p><u>CC BY-NC-SA</u></p>	<p>Access and download the work</p> <p>Distribute, remix, tweak and build upon the work, for non-commercial purposes</p>	<p>Credit the creator for the original creation</p> <p>License your new (adapted) creation under the identical terms (CC BY-NC-SA)</p>	<p>Often used in OER works</p>
 <p>Attribution-NonCommercial-NoDerivatives</p> <p><u>CC BY-NC-ND</u></p>	<p>Access and download the work</p> <p>Share the work, but not change it in any way or use it commercially</p>	<p>Credit the creator for the original creation</p> <p>Not change the work</p> <p>Not use the work for commercial purposes</p>	<p>Most restrictive of the CC licenses</p>
