

# Copyright guide for UTS Online (Chinese Program)

| Material type   | Subject Reading List  | Uploaded to LMS (Canvas)  | Used in recorded lecture   | Conditions   |
|---|---|---|--|--|
| <b>Digital copy from print book in Chinese</b><br><br>Copyright licence allows for 10% or 1 chapter           |    |    | n/a  | All copying must be done in Australia; If copying is undertaken in another country, it is subject to the laws of that country.<br><br>If shared online, must be on UTS systems and hosted on Australian servers.<br><br>Reading List must be used.<br><br>Translation is not permitted under the copyright statutory licence.  |
| <b>Digital copy from print journal in Chinese</b><br><br>Copyright licence allows for 1 article from an issue |  |  | n/a  | If a translation is not licensable (i.e. via <a href="#">Copyright Clearance Center</a> ) and permission is not provided by the copyright owner, then the flexible dealing provision may apply. Seek advice from Copyright Officer ( <a href="mailto:copyright@uts.edu.au">copyright@uts.edu.au</a> ).<br><br>Excerpts of the text can be read in a lecture, as long as the lecture is delivered in Australia. |
| <b>Digitised image from a print book</b>  |  |  | <br><br>(i.e. image in a PPT) | Must be attributed and accompanied by a <a href="#">Copyright Warning notice</a> .<br><br>Only to be made available on UTS systems. If material is to be hosted on another system outside of Australia, then it is subject to the law of that country.   |
| <b>Images found online</b>  |  |  |                               | Images online that does not require a fee to copy, may be copied under the copyright statutory licence. Attribute the work and use the copyright warning notice.   |

| Material type  | Subject Reading List  | Uploaded to LMS (Canvas)  | Used in recorded lecture   | Conditions   |
|--|---|---|--|--|
| <b>eBook</b>   | <br><b>Link</b><br>Best practice | n/a   |  | Access to these resources is governed by the subscription licence.   |
| <b>Electronic article</b><br>(PDF) from a library database   |   |   |  | If translation is not permitted under the terms of subscription licence, investigate feasibility of attaining a translated copy i.e. via <a href="#">Copyright Clearance Center</a> (fee may apply).   |
| <b>Documents or information found online</b><br>i.e. reports, webpage content                          | <br><b>Link</b><br>Best practice | n/a   |  | If translation is required of a reasonable amount of material found online, then it might be possible to rely on the flexible dealing exception, 200AB. Seek advice from copyright officer ( <a href="mailto:copyright@uts.edu.au">copyright@uts.edu.au</a> ). |
| <b>Open licenced content</b><br>i.e. items with a Creative Commons or open licence applied             |                                  |    |   | Translation is not permitted under a Non-Derivative Licence (i.e. CC BY ND, CC BY NC ND)   |
| <b>TV and Radio broadcasts</b><br>Includes free to air and Pay TV that has been broadcast in Australia |                                |  |   | Copying of Chinese broadcasts is not permitted as China is not a signatory to the <a href="#">Rome Convention</a> .<br>Streaming services such as Netflix cannot be used.  |
| <b>Commercially produced DVDs and video</b>  |                                |  | <br>Pause recording during lecture and edit out | Small extracts may be copied under flexible dealing (see Copyright officer ( <a href="mailto:copyright@uts.edu.au">copyright@uts.edu.au</a> ))   |
| <b>Music and sound recordings</b><br>i.e. CDs  |                                |  |   | Use of music is covered under our music agreement.<br>Must be legitimate copy.   |

| Material type                                | Subject Reading List  | Uploaded to LMS (Canvas)  | Used in recorded lecture  | Conditions   |
|--|---|---|---|--|
| YouTube                                      | <br>Use embeddable link  |   | <br>Pause recording of lecture while playing the video | <p>Standard Terms of Use do not allow YouTube videos to be downloaded, copied, recorded or modified.</p> <p>Only videos with a Creative Commons Licence can be recorded in a lecture or downloaded</p> <p>In some cases, the flexible dealing provision can be applied, seek advice from the <a href="#">Copyright Officer</a>.</p> <p>YouTube videos can be played in class, but recording should be paused during the lecture or edited out.</p> |
| Your own lecture notes or UTS owned material |                          |                          |    | Translation is permitted; best practice is to use closed AI systems (i.e. CoPilot) for UTS owned content   |
| Material produced by UTS students            | <br>Permission required | <br>Permission required | <br>Permission required                               | As per the UTS Student Rule 3.9, permission is required to use student work as teaching case study material.   |
